When a customer calls a business for the first time, you have a great opportunity to make a lasting first impression. Use this sample business telephone script to help ensure all calls are answered the way you want!

Sample Business Telephone Script - The Thriving Small Business

A voicemail greeting is a statement of who you are and what your company values. A short and abrupt voicemail greeting doesn't create a good first impression, and a long, drawn-out greeting frustrates callers. Try to get to the point efficiently: state who you are, the name of the company, and why you're not able to answer the call (out of office, on another call, away for a period of time).
