Talking about their work At NRICH we often say you can't do maths unless you talk maths. But the quality of the talk is important. It is not simply children sharing how they did a particular calculation, but describing why and how it worked, and how their method is the same or different to those of others.

Recently, I have been doing a lot of thinking about assessment – as you can imagine, my wife has been delighted. In my series of blog posts about writing our new maths scheme of work, I talked about our department’s plans for assessing each year group throughout the year. But a more pressing issue is how to assess our lovely new Year 7s.
