Motivation is the reason for people's actions, willingness and goals. Motivation is derived from the word motive in the English language which is defined as a need that requires satisfaction. These needs could also be wants or desires that are acquired through influence of culture, society, lifestyle, etc. or generally innate. Motivation is one's direction to behaviour, or what causes a person ...

listen, catras mask has powers. (my theory) I was watching the 80's She ra and there's this one episode (magicats ep.62) but basically • Catra comes across a hidden cat kingdom and they see the stolen mask she's wearing that used to belong to their old queen and so they think catras they're long lost queen.
