Achieving electronic health record (EHR) interoperability is necessary for hospitals, but it hasn't been achieved due to too many silos. In this guest post, Elizabeth Buckle, manager, product management at a health information technology and services provider, details what healthcare organizations should look for as they evaluate new solutions to achieve full interoperability.

How to achieve EHR interoperability: Breaking down the silos

How Do You Learn Homonym Spelling Lists? Homonyms, or multiple-meaning words, are words that have the same spelling and usually sound alike, but have different meanings (e.g. dog bark, tree bark). Beginning in kindergarten, children learn to use context to determine which meaning of a multiple-meaning word is correct in a sentence.
