Robert B. Shulman, in Headache and Migraine Biology and Management, 2015 Cluster B Personality Disorders. There are four Cluster B personality disorders: Antisocial, Borderline, Histrionic, and Narcissistic. The antisocial personality demonstrates a pervasive pattern of irresponsible and antisocial behavior.

Cluster B Personality Disorders - an overview ...

A race is a grouping of humans based on shared physical or social qualities into categories generally viewed as distinct by society. First used to refer to speakers of a common language and then to denote national affiliations, by the 17th century the term race began to refer to physical (phenotypical) traits. Modern scholarship regards race as a social construct, an identity which is assigned ...
