Summer Song appeals to a wide audience of young readers, many who may be facing difficult issues themselves. Because the plot deals realistically about a fractured family and a teen's struggle for control, students can better grasp what Etta May herself finally comes to understand: while we cannot control life, we can affect parts of it.

Entertainment is a form of activity that holds the attention and interest of an audience, or gives pleasure and delight. It can be an idea or a task, but is more likely to be one of the activities or events that have developed over thousands of years specifically for the purpose of keeping an audience's attention. Although people's attention is held by different things, because individuals have ...
