Naruto Uzumaki (うずまき ナルト, Uzumaki Naruto) is the titular protagonist of the series. He was the first character created by Kishimoto during the conception of the series and was designed with many traits from other shōnen characters. He is often ridiculed by the Konohagakure villagers, as he is the host of Kurama, the Nine-Tailed Fox that attacked Konoha.

The male reproductive system consists of a number of sex organs that play a role in the process of human reproduction. These organs are located on the outside of the body and within the pelvis. The main male sex organs are the penis and the testicles which produce semen and sperm, which, as part of sexual intercourse, fertilize an ovum in the female's body; the fertilized ovum develops into a ...
