Early in my DFIR career, I struggled with understanding how exactly to identify and understand all the RDP-related Windows Event Logs. I would read a few things here and there, think I understood it, then move on to the next case – repeating the same loop over and over again and never really acquiring full comprehension.

Bacon is a type of salt-cured pork. Bacon is prepared from several different cuts of meat, typically from the pork belly or from back cuts, which have less fat than the belly. It is eaten on its own, as a side dish (particularly in breakfasts), or used as a minor ingredient to flavour dishes (e.g., the club sandwich). Bacon is also used for barding and larding roasts, especially game, including ...

From the get go, many people would think that something like an overseas assignment or an overseas operation would involve the military. It certainly has a very army-like ring when spoken, but overseas assignment and operation can actually involve investigative services and the operatives that work for any investigative service.
