Maths on Target Year 3. The correspondence of the three sections A-C to the objectives for different year groups provides a simple, manageable structure for planning differentiated activities and for both the formal and informal assessment of children's progress. Content pitched at different levels also allows for progression within the lesson.

Targets - Year 3 3 About the targets These targets show some of the things your child should be able to do by the end of Year 3. A target may be more complex than it seems, e.g. a child who can count to 1000 may not know what each digit represents. In 784, for example, the '8' is worth 80 not just 8.
