The California High School Exit Examination (CAHSEE) was an examination created by the California Department of Education, that was previously mandated to administer in High Schools statewide in order to graduate. The examination was suspended in 2015, when governor Jerry Brown signed a bill undoing the decade old requirement (the bill went into effect January 2016).

California High School Exit Exam - Wikipedia

In contemporary education, mathematics education is the practice of teaching and learning mathematics, along with the associated scholarly research.. Researchers in mathematics education are primarily concerned with the tools, methods and approaches that facilitate practice or the study of practice; however, mathematics education research, known on the continent of Europe as the didactics or ...
