To understand why the Millennium Bridge swayed, engineers of Arup studied the videotape taken on the day of the opening ceremony. In the beginning they thought the forces of 18 might have caused the movement because there were many flags and banners on the bridge that day. But quickly new understandings arose after series of tests were conducted on how people walk on 19 floors.

To beat the ACT, one of the most important things you can do is educate yourself for what to expect. The testing day is very structured and strict in terms of what is allowed, but it is pretty straight forward and simple to follow as long as you keep focus in the place where it belongs, and that is on the test itself.
