Teacher's Note. This lesson focuses on the sections central to Paine's argument in Common Sense — Section III and the Appendix to the Third Edition, published a month after the first edition. We do not recommend assigning the full essay (Sections I, II, and IV require advanced background in British history that Paine's readers would have known well).

Inquiry-based learning (also enquiry-based learning in British English) is a form of active learning that starts by posing questions, problems or scenarios. It contrasts with traditional education, which generally relies on the teacher presenting facts and his or her knowledge about the subject. Inquiry-based Learning is often assisted by a facilitator rather than a lecturer.
