The United States subprime mortgage crisis was a nationwide financial crisis, occurring between 2007 and 2010, that contributed to the U.S. recession of December 2007 – June 2009. It was triggered by a large decline in home prices after the collapse of a housing bubble, leading to mortgage delinquencies and foreclosures and the devaluation of housing-related securities.

Far and away the most frequently asked question I get is some variation of. What does it cost to live in The Villages? The answer is not as straightforward as many would like, because everybody's situation is different, and figuring out one's cost of living is not at all like, say, inquiring about the price of a hotel room.
