The internment of Japanese Americans in the United States during World War II was the forced relocation and incarceration in concentration camps in the western interior of the country of between 110,000 and 120,000 people of Japanese ancestry, most of whom lived on the Pacific coast. Sixty-two percent of the internees were United States citizens. These actions were ordered by President Franklin ...

In the English language, the word nigger is an ethnic slur typically directed at black people. The word originated in the 18th century as an adaptation of the Spanish negro, a descendant of the Latin adjective niger, which means black. It was used derogatorily, and by the mid-20th century, particularly in the United States, its usage became unambiguously pejorative, a racist insult.
