The plethora of oils for one flat price had our attention, but it was the allure of being added to the secret Facebook page that sold us on joining the Young Living community. We heard whispers of endless, customizable recipes and countless knowledgeable "oilers" all happy to answer any questions we may have, and we had to see what it was all about.

HUMAN GENERATED RADIATION IS HARMING WILDLIFE. Oblivious to the natural pace of evolution which has miraculously birthed and sustained life for eons, the wireless industry, spurred on by futurists' vision of the "possible", stands poised to dictate where evolution will take us and when it will get us there.
