Jesus is first because He's made Himself real to me. He gave me what I was searching for and He has been there every moment of my life now. He's so real that though I've never seen him with my eyes, I know who he is and I know what he's done and it's been the greatest joy of my life to have that kind of relationship with Him.

Historical main field change and declination. The Earth is like a giant magnet, surrounded by a magnetic field. This magnetic field, which is a vector with both direction and intensity, is generated by a dynamo process in the fluid outer core of the Earth. Due to the chaotic movement of the core fluid, the Earth's magnetic field gradually changes over the years.
