A tile-matching video game is a type of puzzle video game where the player manipulates tiles in order to make them disappear according to a matching criterion. In many tile-matching games, that criterion is to place a given number of tiles of the same type so that they adjoin each other. That number is often three, and these games are called match-three games.

Pirates have many pastimes: collecting treasure, hiding treasure, hunting treasure, and eating. They don't have great table manners, but if you're not repelled by this you may find an interesting competition based on pirates' eating habits: Food Club! Food Club is an older feature on Neopets, as you could probably tell by the art, and it is full of confusing numbers and statistics and math.
