Lateral violence is a multilayered, complex problem and because of this our strategies also need to be pitched at different levels. In Chapter 3 I have looked at the big picture, with the human rights framework as our overarching response to lateral violence. In this Chapter I will be taking our strategies to an even more practical level, looking at how we can create environments of cultural ...

(C) The ascospores often bud in a rather yeast-like manner, even while still inside the ascus (right and bottom right). (D) When the asci open to release their spores, they tend to split across the tip, rather than around it (bottom, left), so they are not like the rest of the operculate group -- compare them with the asci of the Pezizales, the next order. As you may have guessed by now, this ...
