Last post, we learned that psychiatry is among the highest paying physician assistant specialties, if not the highest paying specialty. A reader asked us just what being a psychiatric physician assistant is like, and this article aims to answer this question. Psychiatry is the medical specialty of mental health, also known as behavioral health.

Physician Assistant Specialty: Psychiatry • Inside PA Training

You probably know oregano best as the herb you put on pizzas and in sauces. Yet, there is a lot more to oregano oil than just its taste. The world is starting to wake up to the many medical possibilities of oregano oil, particularly against bacterial infections.
