Listening To Western Music Exercise

Classical music is art music produced or rooted in the traditions of Western culture, including both liturgical (religious) and secular music. While a more precise term is also used to refer to the period from 1750 to 1820 (the Classical period), this article is about the broad span of time from before the 6th century AD to the present day, which includes the Classical period and various other ...

Classical music - Wikipedia

Modern Sounds in Country and Western Music was the 18th overall LP Charles had recorded. According to him, the title of the album was conceived by producer Sid Feller and ABC-Paramount's executives and management people. The recording sessions for the album took place at three sessions in mid-February 1962.

Modern Sounds in Country and Western Music - Wikipedia

Minor scales sound different from major scales because they are based on a different pattern of intervals. Just as it did in major scales, starting the minor scale pattern on a different note will give you a different key signature, a different set of sharps or flats. The scale that is created by playing all the notes in a minor key signature is a natural minor scale.

At the State Supported Living Center (SSLC) in Austin, Texas, the Music & Memory pilot program was gaining momentum—but some residents seemed unwilling to participate. One older man, in particular, just wouldn't respond, despite best efforts by staff to find music he liked. He did not speak, and although he could walk, he insisted on using a wheelchair.
