Transforming lives by preparing students for entry-level employment as licensed physical therapist assistants who provide physical therapy services that reflect contemporary practice standards and are responsive to the individual differences, values, and needs of citizens in our community.

Physical Therapist Assistant - Mt. Hood Community College

Biodiversity is not evenly distributed, rather it varies greatly across the globe as well as within regions. Among other factors, the diversity of all living things depends on temperature, precipitation, altitude, soils, geography and the presence of other species. The study of the spatial distribution of organisms, species and ecosystems, is the science of biogeography.
