AP Chemistry Updates and New Resources for 2019-20. To help more students prepare for—and succeed on—the AP Chemistry Exam, we've clarified the course's focus starting with the 2019-20 school year and are introducing new resources for your classroom. We've also moved exam registration to the fall, a best practice that improves students' chances of earning college credit and placement.

1: The credit hours listed reflect what is needed to complete each CAP component. However, they should not be viewed as a cumulative addition to a student's degree requirements because many CAP courses are designed to satisfy more than one CAP component (e.g., Crossing Boundaries and Advanced Studies) and may also satisfy requirements in the student's major.

CS Fundamentals Express combines the best of Courses A-F into a single condensed course (with a simpler option for pre-readers). We recommend Courses A-F for most classrooms, but if your school only offers one computer science course or you want to have your students work through multiple courses in a single year, the Express course is a better choice.
