Lafayette Morehouse: Course Descriptions

She had also learnt something that many people had not realised. Namely, the golden ratio is the most irrational number not (directly) because its continued fraction consisted solely of ones; but rather, because its critical score — which separates the world of infinite rationals with merely a finite number of rationals — was the largest possible critical score.

It's abundantly clear that I'm recommending that eating grass-fed beef is healthier than Beyond Meat. While I agree that eating processed meat is unhealthy and problematic, there is no legitimate study that proves that eating grass-fed meat in addition to plant based foods (veggies in particular) is even slightly unhealthy.
