In the last grade before high school, students work with equations and functions, and perform calculations that analyze 2D and 3D shapes in new ways.

Grade 8 - Practice with Math Games

FOREWORD TO AMERICAN EDITION The long-promised second series of Adyar Talks has at length been published after many unavoidable delays. After careful consideration it was thought best to abandon the use of the title The Hidden Life and to issue the volume as The Inner Life, Volume II. Some of these informal talks to the classes at Adyar have already appeared in The Theosophist, but many of the ...

Krishna is represented in the Indian traditions in many ways, but with some common features. His iconography typically depicts him with black, dark, or blue skin, like Vishnu. However, ancient and medieval reliefs and stone-based arts depict him in the natural color of the material out of which he is formed, both in India and in southeast Asia. In some texts, his skin is poetically described ...
