Bankruptcy is a legal process through which people or other entities who cannot repay debts to creditors may seek relief from some or all of their debts. In most jurisdictions, bankruptcy is imposed by a court order, often initiated by the debtor.. Bankruptcy is not the only legal status that an insolvent person may have, and the term bankruptcy is therefore not a synonym for insolvency.

The major reason many prefer unsecured credit cards to secured cards is, really, the major difference between the two: the deposit. A secured credit card is secured by the deposit you put down, and, in most cases, that deposit will set your credit limit. An unsecured card requires no deposit but may have more stringent requirements.
