The Placement Tests help determine the best level for a student to begin within the Math-U-See curriculum. While the student is taking the Placement Test, the teacher should document observations regarding whether the student is using finger counting, touch points, or tally marks; other patterns should be noted such as missing steps, careless errors, or incorrect methods.

XtraMath® helps students transition from counting or calculating the basic math facts to recalling them. Quickly recalling math facts, instead of calculating them, frees up mental resources for higher-level operations. XtraMath's timed activities encourage students to answer questions as quickly as possible.
