Definitions. As with many terms describing social class, working class is defined and used in many different ways. The most general definition, used by Marxists and many socialists, is that the working class includes all those who have nothing to sell but their labour power and skills. In that sense it includes both white and blue-collar workers, manual and mental workers of all types ...

Working class - Wikipedia

Literary Theory "Literary theory" is the body of ideas and methods we use in the practical reading of literature. By literary theory we refer not to the meaning of a work of literature but to the theories that reveal what literature can mean.
