I think you're trying to correlate two notions here, and are using personal confirmation bias as a proof of legitimacy. There absolutely is a reason you're able to achieve "super human" moments through intense concentration and practice. Incredible preparation brings incredible results — this is seen both intellectually and physically all the time.

Accessing Universal Intelligence - Our Mind Is the Limit

Visual support and layout are another aspect of text structure that factors into text complexity. Illustrations and visual features such as maps, graphs, charts, and diagrams can support the reader's understanding, but sophisticated visual components may also increase the text's complexity.
