### **Land Of The Rising Sun**

Both Nippon and Nihon literally mean "the sun's origin", that is, where the sun originates, and are often translated as the Land of the Rising Sun. This nomenclature comes from Imperial correspondence with the Chinese Sui Dynasty and refers to Japan's eastern position relative to China.

### **Names of Japan - Wikipedia**

According to the words of the Japanese envoy himself, that name was chosen because the country was so close to where the sun rises. In any event, the name stuck, and for the last 1400 years or so, the world has referred to Japan as Nippon, the land of the rising sun.

### **Why Japan is Called the Land of the Rising Sun**

Japan is called the "land of the rising sun" because from China it appears that the sun rises from the direction of Japan. The Japanese people call their country "Nippon" or "Nihon," which literally translated means "source of the sun." It is loosely translated into English as "land of the rising sun."
