The expansion of our wealth is only possible so long as the oil supply continues to expand, says oil expert Dr. Colin Campbell. The financial and investment community is beginning to accept the reality of Peak Oil, which ends the First Half of the Age of Oil, during which banks created capital by lending more than they had on deposit, being confident that tomorrow's expansion, fueled by cheap ...

There is need for new theoretical, empirical and policy work on higher education and economic development in developing countries. • The evolutionary economics tradition and the sectoral systems of innovation approach offer important new insights into the higher education-economic development relationship.

Higher education and economic development: The importance ...

06 July 2017 - Supply chain has become one of the key strategic hubs of many companies' activities; business is now conducted in a world where players as far away as Turkey and China are able to compete with a South African company successfully in terms of price when moving goods from point to point. This indicates that Freight forwarding and logistics works on a new set of rules in the 21st ...
