OS: Windows 7 64-bit I have a machine that has had its "Region and Language" settings all set to "Canada". What I need to do is change all those settings to revert back to the default of "United States". Additionally, I want to create a script to do this, as I expect to run into more machines with this issue.

Both are used. This is an area of controversy where no 'correct' way has been established. Some sources would say that Oliver Twist is Dickens' character while other sources (like Strunk & White) would say that he is Dickens's character. See this page for a brief exploration of some of the rules different sources use in different situations.. It's probably safest to stick with the 's ending ...
