A shadow price is commonly referred to as a monetary value assigned to currently unknowable or difficult-to-calculate costs. It is based on the willingness to pay principle - in the absence of market prices, the most accurate measure of the value of a good or service is what people are willing to give up in order to get it. Shadow pricing is often calculated on certain assumptions and premises.

Shadow price - Wikipedia

The Office of Public Relations at Fayetteville State University is charged with conveying the institution's mission by providing honest, timely and useful information on its educational, intellectual, service and co-curricular programs and initiatives to all its internal and external stakeholders and constituents.
