Preface to the Home Education Series. The educational outlook is rather misty and depressing both at home and abroad. That science should be a staple of education, that the teaching of Latin, of modern languages, of mathematics, must be reformed, that nature and handicrafts should be pressed into service for the training of the eye and hand, that boys and girls must learn to write English and ...

Shame naturally has a negative valence, but it helps to define the boundaries of positive pursuits in some cases. The definition of shame is a discrete, basic emotion, described as a moral or social emotion that drives people to hide or deny their wrongdoings. The focus of shame is on the self or the individual; it is the only emotion that is dysfunctional for the individual and functional at ...

The side of a ship on which it was laden (that is loaded) was called the ladeboard, but its opposite, starboard, influenced a change in pronunciation to larboard. Then, because larboard was likely to be confused with starboard because of their similarity of sound, it was generally replaced by port.
