Cooperative learning is an educational approach which aims to organize classroom activities into academic and social learning experiences. There is much more to cooperative learning than merely arranging students into groups, and it has been described as "structuring positive interdependence."

### **Cooperative learning - Wikipedia**

If taken too far, stories with this aesop can turn anvilicious or into a Space Whale Aesop: always be kind to strangers, never kick puppies et cetera, or the universe itself will make your life a living hell. It also undermines the standard "do good for goodness' sake" lesson, since Bob never has to suffer for doing the right thing or accept virtue as its own reward — in Fictionland he ...
