Many gifted children and teens have a natural aptitude in math, but many parents and teachers of high ability math learners find that it can be a challenge to keep these children and teens engaged and excited about math. Gifted math students who are often light years ahead of the standard curriculum can find themselves bored and increasingly disinterested in math as the years tick by.

The 24 Game is a unique mathematics teaching tool proven to successfully engage students in grades 1-9 from diverse economic and social backgrounds. Knowing the answer is always 24 alleviates a classic type of math anxiety—getting the right answer—and instead puts the emphasis on the method behind the math. Playing the 24 Game is a great way for children to become fearless in math.
