Education in the Philippines is provided by public and private schools, colleges, universities, and technical and vocational institutions in the country. Funding for public education comes from the national government. For the academic year 2017–2018, about 83% of K–12 students attended public schools and about 17% either attended private schools or were home-schooled.

Education in the Philippines - Wikipedia

The demographics of Filipino Americans describe a heterogeneous group of people in the United States who trace their ancestry to the Philippines. As of the 2010 Census, there were 3.4 million Filipino Americans, including Multiracial Americans who were part Filipino, with the United States Department of State in 2011 estimating the population at 4 million.
