APEX Calculus is an open source calculus text, sometimes called an etext. Available in print and in .pdf form; less expensive than traditional textbooks.

APEX Calculus

Mike, architecture major, Summer 2010 This calculus course was very convenient in the sense that it was online and 4 credits without any major prerequisite. But over the summer I took this class while taking another online class and working 40 hours a week. This calculus class is not good for someone who plans on doing too many other things over the summer.

Take distance Calculus course online class with video ...

Free math lessons and math homework help from basic math to algebra, geometry and beyond. Students, teachers, parents, and everyone can find solutions to their math problems instantly.
