### **Make Checks Payable To Plastic**

By Petra Cameron and Philippa Kearney | - Weâ ve all seen the impact of our plastic addiction. Itâ s hard to miss the devastating images of whales and sea birds that have died with their stomachs full of solidified fossil fuels. The recent discovery of a plastic bag in the Mariana Trench, at over 10,000 metres below sea level, reminds us of the depth of our problem.

If you need to open a bank account - you open one, but getting checks on your own name when you work as a company kindof renders the company useless. - littleadv Feb 1 '13 at 3:58. I took 'fictitious name' to mean an alias rather than a company. I agree if it's a legal company name that shouldn't be a problem.

Checks are almost always made payable to a specific person or organization, but sometimes a single check is made out to multiple people. For example, a check might be written to a married couple, several roommates, or any other joint owners of an asset. The wording on those checks is important and will dictate how to handle the check.

Operation Christmas Child is a project of Samaritan's Purse, an international relief organization. Our mission is to provide local partners around the world with shoeboxes filled with small toys, hygiene items, and school supplies as a means of reaching out to children in their own communities with the Good News of Jesus Christ.

**Operation Christmas Child Frequently Asked Questions**

If you're not sure who to make the check payable or how much something costs, just bring a pen—it's much less risky than giving somebody unlimited access to your checking account. Keep checks from growing: When you're filling in the dollar amount, make sure you print the value in a way that prevents scammers from adding to it.
