The GED is a second chance for millions of people who didn't finish high school. Each year, more than 700,000 people take the test. But critics say the GED encourages some students to drop out of school. And research shows the credential is of little value to most people who get one.

### **Second-Chance Diploma: Examining the GED | American RadioWorks**

The General Education Development (GED) tests are a group of four subject tests which, when passed, provide certification that the test taker has United States or Canadian high school-level academic skills. It is an alternative to the US High school diploma, HiSET and TASC test. The GED Testing website currently does not refer to the test as anything but "GED".
