Chapter 13 European Middle Ages

Background. The 20th century is not the first to create images of life during medieval times. The Middle Ages ended over five centuries ago and each century has imagined, portrayed and depicted the Middle Ages through painting, architecture, poetry, music and novel. In the 20th century, film has defined Medieval history perhaps more so than any other medium.

Middle Ages in film - Wikipedia

Medieval cuisine includes foods, eating habits, and cooking methods of various European cultures during the Middle Ages, which lasted from the fifth to the fifteenth century. During this period, diets and cooking changed less than they did in the early modern period that followed, when those changes helped lay the foundations for modern European cuisine.

Technology in the Middle Ages, the late medieval period offered a great advancement in technology. While many of these technological advancements weren't inventions of medieval Europeans, they successfully refined these technologies and benefitted immensely by using them politically and economically.
