Many species that scavenge face persecution globally. [citation needed] Vultures in particular have faced incredible persecution and threats by humans. Before its ban by regional governments in 2006, the veterinary drug Diclofenac has resulted in at least a 95% decline of Gyps vultures in Asia. Habitat loss and food shortage have contributed to the decline of vulture species in West Africa due ...

Scavenger - Wikipedia

Life is a characteristic that distinguishes physical entities that have biological processes, such as signaling and self-sustaining processes, from those that do not, either because such functions have ceased (they have died), or because they never had such functions and are classified as inanimate. Various forms of life exist, such as plants, animals, fungi, protists, archaea, and bacteria.

Today I hope to move the majority of things back to their correct places following the painting. The door of the hall cupboard won't be done until Monday so that stuff will have to stay in the living room, but I should be able to move the piano back to its correct position and finish getting the music room sorted ready for teaching in there tomorrow.

a bracelet of days - Blogger

How can I encourage my students to recognise Phase 2 tricky words? Tricky words often need a lot of repetition in order for children to begin to recognise, read and write them confidently. Using tricky word games can be a great way to engage children in recognising their tricky words. This fun, phonics scavenger hunt is an active way for children to practise their Phase 2 tricky words.
