Algebra I is built logically, moving smoothly from one concept to another. Letters are used to represent numbers in expressions and equations. Expressions are simplified and equations are solved. As they work with the axioms, rules and principles of algebra, students are encouraged to use their reasoning ability. Revised 2007.

I have a math test in a few weeks and even though I have been taking math seriously, there are still a couple of parts that cause a lot of stress, such as prentice hall mathematics algebra 1 answer key and perpendicular lines especially. Last week I had a class with a math teacher, but many things still remain vague to me.
