One can either take the Bible as the basis for scientific truth or use ever-changing evolutionary assumptions as the foundation for your biblical and scientific knowledge. The Bible-as-base model resolves contradictions and gives concrete answers; the evolution-as-base model is as unsure as building a house on sand. Ken Ham knows this, and wants to provide families and individuals with the ...

According to Sternberg, a complete explanation of intelligence entails the interaction of these three subtheories. The componential subtheory specifies the potential set of mental processes that underlies behavior (i.e., how the behavior is generated) while the contextual subtheory relates intelligence to the external world in terms of what behaviors are intelligent and where.
