Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

Mentorship - Wikipedia

The problem persists after I tested multiple Codec Settings - seems like the codec isn't at fault. I think the third phone malfunctions because currently it's only in a test set-up without actual SIP Provider, just an elmeg 130j PBX.
