Learning lowercase letters can be really confusing for many children, especially the letters b, d, p, and g.When you think about it, it's not surprising that kids often mix them up.

Come Together Kids: Easy Letter Reversal Solution

Experiential learning is the process of learning through experience, and is more specifically defined as "learning through reflection on doing". Hands-on learning is a form of experiential learning but does not necessarily involve students reflecting on their product. Experiential learning is distinct from rote or didactic learning, in which the learner plays a comparatively passive role.

Experiential learning - Wikipedia
