Importance Of Credibility For Leadership Success. First, if there is one defining characteristic of leaders who are effective over long periods of time, it's that they behave in ways that cause people to see them as credible.That means that they are believed, and trusted, both in the specifics of what they say, and generally, as people.

Leadership Credibility - Why is it SO Important
Personality Traits Essential To Leadership? Leadership can be approached in several ways. One approach is that leaders are effective or ineffective due to their personality traits, or to stretch it a bit, are effective or lack effectiveness because of their beliefs, values and ethics.

What is the Personality Trait Approach To Leadership?
This chapter describes the contingency model and the dynamics of the leadership process. The Contingency Model provides a conceptual framework which enables to explain the effects of such change-inducing conditions as organizational turbulence, leadership experience, training, and job rotation.

A chat with Shamarukh Chowdhury about her research on active procrastination. Together, we clarify the concept of procrastination and do a little "myth busting" around the concept of active procrastination; a concept that we call an oxymoron that may be better understood as two types of delay - it's not "procrastination" at all.
