The American Civil War was the most deadly and arguably the most important event in the nation's history. Sectional tensions enshrined in the Constitution erupted into a brutal war that cost over 600,000 lives and cleaved a nation in two.. It was a war that would come to define America—that would answer the "slavery question" once and for all.

The Civil War - Shmoop

Learning Theory describe how students absorb, process, and retain knowledge during learning.Cognitive, emotional, and environmental influences, as well as prior experience, all play a part in how understanding, or a world view, is acquired or changed and knowledge and skills retained.
